

## *Emergency Contraception Promotion Activity*

You are a committee working to promote emergency contraception awareness, knowledge, and access in your community.

**1. Select a recorder from your group and a person to report out.**

**2. Brainstorm strategies or activities for EC promotion, education and access:**

a) In family planning clinics.

b) For one of the following categories:

- Pharmacies
- Teens
- Local Media
- Public Awareness
- Local Medical Community
- College Campuses
- Schools/ School Based Health Centers

**3. Review *the Emergency Contraception Promotional Activities and Strategies* handout. Are any of your activities similar to the activities on the list?**
